Description: #1 New York Times bestselling author Ilona Andrews launches a brand-new Hidden Legacy series, in which one woman must place her trust in a seductive, dangerous man who sets off an even more dangerous desire . . . Nevada Baylor is faced with the most challenging case of her detective career—a suicide mission to bring in a suspect in a volatile situation....

Review: The first time I finished reading Burn For Me I immediately flipped back to the first page and started all over again. I have done that exactly three times in my life. Since then Ive re-read the story at least 8 times, maybe more Ive lost count. Often a 5 star read drops dramatically on the re-read. The magic of the initial read is gone and I wonder...
